SONGWRITING 101

AGES 12-18

Interested in writing an original song or completing one you've started, but not sure where to start or how to finish? Join songwriter/performer/producer, Keith Washo, for a songwriting journey, exploring the power of songs, through a step-by-step approach to crafting, refining, and improving a song. We'll end with a performance of your new creations. Keith will share his perspective on finding inspiration; writing a chorus, verse, and bridge; and making a song that has the power to move you and others. Come with your notepad and guitar (or instrument of choice), and be ready to enjoy the fun of music!
